HONOLULU SPORTSMAN WRITES OF RECENT BRITTON-BURNS BATTLE

By DAL FAHY.

Jack Britton, the Chicago boxer, again showed his class by defeating Frankie Burns of Oakland, the other night.

Burns was conceded to be the best lightweight in the West and was the lightweight hope of California.

The bout was staged at the Oakland Wheelmen's Club a week ago last Wednesday.

Burns entered the ring weighing close to 135 pounds. Britton tipped the scales at 133 pounds.

Both men were in fine condition, Burns being at his very best.

Burns opened a 2 to 1 favorite and closed at 10 to 8. The betting was characteristic of the California fight fan—ever willing to support a local man.

At the close of the third round the Burns men were making frantic efforts to save themselves by offering 3 to 1 on Britton. There were no takers.

Burns fought a good fight. He boxed at his best, but was so completely outclassed that he was unable to lay a glove on his fast and clever opponent.

The fight was the first of the elimi-

nation bouts that are to be fought in California, the winner to meet Wolfgang for the championship.

Britton clearly demonstrated to the fans that he is the best and classiest lightweight on the Coast today. He gave Burns a worse beating than Wolfgang did.

Britton was at Frankie every round of the ten and made a whirlwind finish. It was a hard battle for Burns, but just a good work-out for Jack.

Many good judges of the game were of the opinion that Britton could have knocked Burns out toward the close of the contest had he so desired.

As fast as Young Griffo was at his best and as clever as Joe Gans was with his two hands in his early fights, Jack Britton bids fair to become the next lightweight champion of the world. He has a draw with Paakey McFarland, which has caused the stockyards scrapper to sidestep him on more than one occasion.

Having seen both men fight and knowing their styles in action, I do not hesitate a moment in stating that Jack Britton can defeat Wolfgang in a bout of from ten to twenty-five rounds duration. Wolfgang's only chance would be in a finish fight.

CHINESE GET IT IN NECK TWICE

The fleet had a great day on the diamond at Athletic Park yesterday, the two crack Chinese teams going down in succession before them.

The All-Chinese went down before the Colorado, 3 to 1, and the Chinese Athletic Union succumbed to the West Virginians, 2 to 1.

A good-sized crowd was present and the proceeds went to the traveling fund of the all-Chinese team which will shortly visit the mainland, the fund being enriched some \$300 by yesterday's game.

The good twirling of Henning and the errorful playing of the Chinese were responsible for the victory of the Colorado nine.

The West Virginia nine won their game in the second inning. Ayau muffed Daniels' fly and the former got to first. Lenhoff was hit by pitcher and Wettengel forced Daniels at third. Ginkgrass died at first. Quintero then hit to right and brought in Lenhoff and Wettengel.

SOCCER IS NEARLY PAU

The soccer games on Saturday came out as expected. High School beat the Mailes 2 to 0, and the Kama defaulted to the Healanis.

The season closes next Saturday with games between the High School and Healanis and the Punahou and Kama.

The standing of the league teams to date is as follows:

	P	W	L	D	G	F	A	Pts
High School	7	7	0	0	14	1	14	14
Punahou	7	6	3	2	1	3	7	13
Maile	7	3	4	0	14	7	6	12
Healanis	7	3	4	0	10	12	6	11
Kamehameha	7	0	6	1	3	25	1	0

In the first game on Saturday Pando and Jones scored the goals for the High School in the first half.

The Kama only had a couple of players in uniform when their game was called and the game was accordingly given to the Healanis by default.

A pick-up team engaged the Healanis for the sake of giving the spectators a run for their money and the struggle ended in a draw, each side scoring three goals.

The teams played as follows:

High School—Medeiros, goal; Clark, Hickman, fullbacks; H. Chillingworth, O. Soares, Parker, halfbacks; Jones, Frendo, Marcellino, Kolobla, Sing Hun, forwards.

Maile—R. Chillingworth, goal; E. Bailey, Ziegler, fullbacks; Aldrich, Bentleyne, Davis, halfbacks; J. Dwight, H. Bailey, Greig, G. Chillingworth, G. Dwight, forwards.

COUNTRY BOXERS ASSIST DE MELLO

Jim Hoao started in serious work for his coming contest with Ben de Mello today. He will pay particular attention to developing his punch.

Hoao is quick as a flash at ducking and jabbing and with more power behind that worrisome left of his will be even a more formidable opponent in the future than he has been in the past.

De Mello in his last letter regretted being unable to secure enough sparring partners in the town of Hilo itself. This plaint of his got noised abroad with the result that on Saturday last several boxers from the plantations about Hilo came into town and gave Ben an extremely lively scence.

The preliminaries for the coming bout are sterling attractions in themselves. Kid Howard is the kind of aggressive boxer that the public likes to see in action. Soldier Prince, his opponent, has cleverness galore and is as game a boy as ever donned the gloves in a local ring.

Young Gana, slated to box six rounds with Copeland of Fort de Russy, has boxed many times in Honolulu and has always made a good showing. He is a heady boxer and the best has not yet been seen of him by any means.

In Copeland the engineers claim to have found a 125-pound "hope" who is destined to bring the fighting camp into the pugilistic limelight in no uncertain manner.

SWIMMERS MAY GET AWAY TOMORROW

No cable relative to the dates of the Olympic Games swimming trials is received by the local A. A. U. officials today Duke Kahanamoku and Vincent Genoves will leave for the mainland by the S. S. Sierra sailing tomorrow morning.

Now that the money for their expenses has been subscribed the Hui Nalu members are strongly in favor of getting the swimmers away tomorrow in order that no chances may be taken on missing the dates of the try-outs.

The A. A. U. people at this end are up in the air as far as definite information as to the dates of the Olympic trials is concerned.

They cabled for the dates of the "swimming championships" and have received them. Now the question that

is agitating them is whether the Olympic trials will be combined with the annual A. A. U. championships or will be a separate competition.

If the former is the case Kahanamoku and Genoves will be out of the Pittsburgh events on February 22, which will consist of the 220 and 500 yards. Entries for these races must be in a week ahead and this puts the local boys out of it good and effectually.

In Chicago on the 28 inst will be contested the 50 and 100 yards events. Kahanamoku will be able to swim in these events but there will be nothing for Genoves except to keep Duke company and cheer him up.

W. T. Rawlins will accompany the swimmers and he is busy today purchasing reasonable clothes for them and other necessary supplies.

LONGWORTH IS FAST SWIMMER

At a swimming carnival held last month in Sydney for the benefit of a fund for the purpose of sending a team of Australian swimmers to Stockholm to compete in the Olympic Games in July, some fine performances were put on record.

W. Longworth won the 440-yards championship of New South Wales in 5:26.25.

This time in only 2:35 seconds outside Frank Beaurepaire's world's record, equalled T. S. Batterby's English record and was some seconds better than the American record held by C. M. Daniels.

In the mile race Longworth won again, his time being 24 minutes 47 seconds.

The Australian record is to the late "Barney" Kiernan's credit at 23 minutes 16.45 seconds.

The 220-yard race was also won by Longworth. Time, 2:37.25. This time constitutes an Australian record.

In the 100-yard championship Longworth won the distance in 56.25 seconds, setting a new Australian record for the distance.

BOWLING ON MAUI ISLE

MAUI, February 2:—Thursday evening the Puunene Athletic Club bowling team came over to Wailuku seeking revenge for their defeat at the hand of the Wailuku team New Year's day. Both teams seemed to be off in their rolling, and low scores were the result all round. The Puunene team was composed of E. F. Delbert, E. Savage, C. C. Campbell, W. Walsh, W. Lougher and J. B. Thompson. The team representing Wailuku was composed of the following: J. Kunewa, E. A. Watson, W. Bal, W. Chillingworth, F. Voeller, and C. C. Clark. Mr. Meyers was unable to play on account of a sore foot.

The first and last games were both closely contested. Puunene beating Wailuku in the first game by five pins, and in the third game by one pin. Wailuku more than evened up matters, however, by taking the second game by a wide margin. The total score for the three games was Wailuku 2512, Puunene 2322, Wailuku this winning by 190 pins.

The Puunene team rolls a match against Kauai February 10th.

SWIMMERS IN PUBLIC TRY OUT

In the presence of about 2000 persons Duke Kahanamoku Jr., and Vincent Genoves gave a free swimming exhibition in the Bishop slip yesterday morning.

Duke swam 100 yards in 57.25 seconds and fifty yards in twenty-five seconds.

Vincent swam half a mile in 14:56.

The following figures will be interesting for purposes of comparison:

	Time
Kahanamoku's record	55 25
Yesterday's time	57 25
American amateur record, in tank	56
Kahanamoku's record	24 15
Yesterday's time	25
American amateur record, in tank	25 45
Genoves' record	13:36 15
Yesterday's time	14:56 12
American amateur record, in tank	11:44 45

The timers were Messrs. Chilton, Hollinger, Hustace, Farren, Mayne, Lightfoot and Johnson.

The exhibition was conducted under the auspices of the Hui Nalu, Major Hill of the U. S. S. California acted as starter. H. Blackstone of the S. S. Kukui presided at the finish and John C. Anderson was announcer.

SOMETHING GOOD FOR THE BOYS

In an effort to satisfy the small boy's instinctive craving for "making things," the Y. M. C. A. is about to start a course in manual training in which the boys will be organized into "The Craftman Club," which will be directed by D. G. Thayer of Iolani College.

Director Loomis of the boys' work department of the Y. M. C. A. says there are two things which boys like to do above all things—to make things and to organize clubs. In this particular organization he has therefore combined the summum bonum of the small boy and the classes should be well patronized.

The first meeting will be held tomorrow afternoon at 3 o'clock and thereafter there will be regular class hours when the boys will be instructed in the manipulation of tools and also certain hours when they can work in the shop and construct their surfing boards, furniture, wireless outfits, boats, or whatever else inclination dictates.

The Mills School's athletes will have a field and track meet in the course of the next six weeks. The school will also enter a relay team in the Grammar School Athletic League's relay program to be run off in connection with the A. A. U. Floral Parade track meet.
